

We write to share important information about new steps we are taking to meet the challenge of COVID-19. In the current climate, the health and well-being of our entire community — including each of you — is at the forefront of our thinking.

To ensure the safety of our staff and clients, beginning today, and until we communicate otherwise, Summit employees will be working remotely. **Summit is open and available to assist you as we always have.**

We will have the phones either forwarded directly to an employee's phone or going directly to voicemail. If we miss your phone call, please leave a voicemail message and we will return your phone call as soon as possible.

You can also send us an email to info@summitveterinaryadvisors.com

We're committed to being your partner and persevering together in these days and months ahead.

Sincerely,

Summit Veterinary Advisors
